Frederick Area School District opt-out election, 7 a.m. to 7 p.m.

Serving Elm Lake, Barnard, Frederick, & Westport, S.D.

FEBRUARY 2024

# Opt-out goes before voters April 9

PROVIDED BY THE  
FREDERICK AREA SCHOOL DISTRICT

In an upcoming vote on April 9, 2024, residents of the Frederick Area School District will have the opportunity to voice their opinions on a proposed \$450,000 opt-out. This vote holds significance because of various factors related to previous budget allocations and future planning needs of the district.

Previously, the Frederick Area School District passed a \$200,000 opt-out, which is set to expire this year. The new proposed opt-out includes an amount of \$450,000 for a period of five years. Looking

ahead, there are uncertainties regarding the upcoming teacher accountability review and the changes this may bring to teacher compensation packages, which will in turn affect all employee expenses and general fund as a whole. With teacher shortages still being a concern statewide, compensation packages will need to remain competitive to find quality teachers in coming years.

Changes to the capital outlay funding formula are also part of the reason for the higher proposed opt-out amount. The capital outlay fund is established by

*Continued on page 4*

## What does “opt-out” mean?

Here's the explanation from the South Dakota Department of Revenue:

“Opting out is to impose an excess levy above any current limitations. If the school district cannot operate on the revenues generated by the maximum allowed for the general or capital outlay funds, then the school district may choose to “opt-out” of the limitations.

# Laura Sumption scores her 1,000th career point Feb. 10

PHOTOS BY HEIDI MARTILA-LOSURE

A free-throw in the Titans' game against the Webster Bearcats on Feb. 10 took Laura Sumption, a senior at Frederick Area, over 1,000 points in her high school career. She joins an elite local “Club 1K”: Players who have scored at least 1,000 points (for the Leola-Frederick Titans, Frederick-Hecla Northstars, or Frederick Vikings) include Kelsea Barondeau, Mikayla Barondeau, Lindsay Ruenz, Brittney Klipfel, and MacKenzie Heilman, as well as Isaac Sumption, Brian Sumption, Adam Dutenhoffer, Aaron Kappes, Tanner Knecht, Jimmy Sumption, Dean Marske, and Lee Wilson. **LEFT:** Sumption received a banner to mark the achievement on Feb. 15. Pictured are, back row, Coach Sarah Sumption, Olivia Morlock, Chloe Arneson, Jocelynn Ellwein, Sofia Losure, Morgan Sumption, Kaitlyn Mueller, and Coach Jeff Koters; and front row, Karli Achen, Zoe Cox, Arabella Clark, Jillian Ellwein, Kalyce Achen, Laura Sumption, Tayler Vetter, Parker Hoffman, and Samantha Geffre. **RIGHT:** Sumption puts up her 1,001st point.

# January Students of the Month

FASD PHOTOS

Junior high/high school Students of the Month for January, based on the trait of polite, were Hunter Kern, Tristan Tschappat, Jacob Bain, and Tristan Sumption.

Elementary Students of the Month for January were, front row, Scarlett Huettl, Ava Christianson, and Liv Geary; and back row: Noah Pies, Chloe Pool, Riley Anliker, and Avery Skowron. The trait for the month was polite.

# Sumption named runner-up at SD Snow Queen Festival

# A reminder about winter weather attire and policies

By JESSICA RINGGENBERG  
Frederick Area K-8 Principal

**PRINCIPAL'S  
CORNER**

Well, after a warmer extended fall, it appears that the cold temperatures have arrived in our area. Although after the winter we had last year, I don't think anyone is too upset about the delay. That being said, it is a good time to check your cars for your winter emergency gear and make sure your kids are dressed appropriately for school and recess. As a mom of a teenager myself, I often must have the conversation with my son that shorts are not for winter wear in South Dakota, even if you do only have to walk across the parking lot. You never know what could happen—flat tire, deer crossing your path, or a sudden patch of black ice that could cause you to be out of your vehicle for a while. We do

our best to keep the buses warm, but those of you who rode the school bus know well how cold they can be, a minimum of pants and coats (with gloves and hat packed) would be the preferred bus dress code this time of year.

For those of you with elementary-age students, we do go out to recess daily if the air temperature is above 0°F. We do factor in the “feels like” temperature when wind chills are a concern and will make a judgement call

on if it is safe to go outside or not. It is best to always assume that we will be going out to recess and send students with snowpants, boots, winter coats, hats, and warm gloves.

If you have trouble getting appropriate winter gear for your child, contact the school. The SADD group is currently hosting a winter gear drive for students and the surrounding community. If you are cleaning out closets and have some you no longer need, feel free to drop them in the bin in the entryway at school.

Parents, just a reminder on snow day notifications. We have been lucky up to the time of this writing that we have not had a snow day yet this year. Snow day and late start notifications will be made through the all-call system (both phone and text if you signed up for the text feature),

our Facebook page, on Hub City Radio, and Dakota News Now. Most of the time, we consider a snow day just a snow day, but in circumstances where we have at least a day's notice that a big storm is coming and it is likely that we will have to close, we may call it a distance learning day.

The schedule for distance learning class times can be found on our website, and students will know before leaving the building what is expected. We try our very best to avoid waking up in the morning and announcing a distance learning day; we don't like to catch anyone off-guard if we can avoid it.

With that, I hope we can have a short winter with some above average temperatures. The more we prepare, the better it will be right?

# Co-managers handle different parts of Elevator's business

By DONNA SUMPTION

Frederick Farmers Elevator Coop is a well-established asset to the Frederick area. It has served many local farmers over the years and continues to do so.

In 1998, a group of local farmers invested in the purchase of the current facility from Wheat Growers Inc. They continue to offer many services such as grain handling, buying, and selling, and offering feed supplies. They sold shares in the business and added condo storage for sale to the farmers. Since the initial purchase, they added additional grain bins and updated the existing storage space. As of now they have a storage capacity of 2.14 million bushels.

The current co-managers are John Enge and Kristina Sigaty. The elevator employs a staff of six full-time employees and one part-time employee, and additional seasonal help is hired during harvest time. John manages the general operations, and Kris-

(605) 329-2411

tina manages the grain marketing and grain origination.

In the future, to better serve the farmers, they are looking to add more options for the grain division with OTC (over the counter) grain marketing programs and expanding storage. They are very proud that this business is kept local and can offer competitive pricing for the farmers. They offer direct shipping to the AGP soybean processing plant in Aberdeen and sell grain to Glacial Lakes in Aberdeen and Mina and to Wheaton Dumont in Britton. On the feed side, they offer a wide variety of feed products for all kinds of livestock, and creep feed delivery.

PHOTO BY DONNA SUMPTION

The staff of Frederick Farmers Elevator is, from left, Dakota King, Kris Cutler, John Enge, Kristi Forsting, Kristina Sigaty and Matt Gisi, as well as Anthony Kocker (not pictured).

The current board of directors are David North, Randy Bretsch, Joel Durheim, Todd Ellwein and Ty Sumption. They are still offering shares to be bought within 30 days after their annual meeting.

# Opt-out: Board has not taken the full amount every year

*Continued from front page*

law to finance the acquisition, lease, or addition of real property, equipment, or software for instructional purposes. For example, this fund can be used for purchasing textbooks, renewing instructional software, equipment, facility construction, grounds, and renovations. Changes to the capital outlay formula will make it impossible for our district to transfer the amount of money we typically would to cover these expenses. Previously, the district could carry over the same amount from the previous year, which was \$366,125. Unfortunately, this is no longer possible. As per SDCL 13-16-6, the district can transfer a maximum of 45% of the total

tax revenue for the current fiscal year. Based on estimates for the next tax year, it is anticipated that \$263,160 can be transferred, which is \$102,965 less than the previous year.

The Frederick Area School Board reviews the budget every year. Outside of the first year, the board has not taken the full \$200,000 amount of the opt-out previously passed. The second year, \$100,000 was utilized and then in this final year, \$170,000. Also, in the past, the school district had a requirement to utilize the entirety of a \$200,000 fund in the first year of opting out. However, this stipulation is no longer in place, allowing for more flexibility in budget management. It is the intention of the board

to continue its review of the budget each year and the practice of only taking what is necessary of the \$450,000 opt-out.

**The FASD school board believes that transparency is important and is going straight to the vote of the people on this proposed opt-out. This vote holds significant implications for the future of our school district, and it is crucial for all stakeholders to stay informed and participate in the decision-making process.**

# Deadline extended for local grant applications

Local nonprofits: There's still time to get your application in to receive grant funds in the North Brown Community Foundation's 2024 round of grant-giving. The deadline has been extended to **Friday, March 1, 2024.**

Board members of the NBCF, which supports community needs in the geographic area covered by the Frederick Area School District, decided to extend the application period to encourage more nonprofits to apply.

The application was in the December/January issue of *Frederick Area F.Y.I.*, or it can be downloaded from [fredericksd.com/nbcf](http://fredericksd.com/nbcf).

Grants can be used for projects that benefit residents of the geographic area served by the NBCF. Applicants must be

501(c)3 organizations; if an organization that doesn't have a 501(c)3 wants to apply, it needs to make a fiscal sponsorship arrangement with a 501(c)3 organization. Talk to Heidi Marttila-Losure if you have questions: 605-290-3335 or email [nbcf@fredericksd.com](mailto:nbcf@fredericksd.com).

The NBCF plans to announce this year's grant recipients at the organization's annual meeting on the second Tuesday in March, which this year is March 12. Grant recipients will also be notified by email or mail.

# Musicians bring home honors from Region IV Music Festival

PHOTO BY HEIDI MARTTILA-LOSURE

Attending the music festival were, back row, Katelyn Bretsch, Winston Clark, Clayton Peterson, McKinley Kusters, Sofia Losure, Chloe Arneson, Laura Sumption, Chloe Akin, Olivia Morlock, Gabby Millard, Morgan Sumption, Maddie Sumption, Zoe Cox, Emily Dallmann, Samantha Dallmann, and Adalynn Lloyd. Not pictured are Kira Knife and Zoe Kempf.

Solos and ensembles receiving superior ratings were Adalynn Lloyd, clarinet solo; Adalynn Lloyd and Katelyn Bretsch, clarinet duet; Sofia Losure, tenor sax solo; Gabby Millard and Olivia Morlock, alto sax duet; and Gabby Millard, alto sax solo. Musicians receiving excellent ratings were Morgan Sumption, Maddie Sumption, Sofia Losure and Zoe Cox, sax quartet; Mac Kusters, snare drum solo; Chloe Arneson, Clayton Peterson, Laura Sumption, and Winston Clark, trumpet ensemble; and Kira Knife, Chloe Akin, Zoe Kempf, Emily Dallmann, and Samantha Dallmann, vocal ensemble.

## Hats off

Some young fans were right on with the appropriate protocol of standing at attention, taking off their hats, and putting their right hands over their hearts during the playing of the national anthem before the Titans' games against Northwestern Jan. 18.

PHOTO BY HEIDI MARTTILA-LOSURE

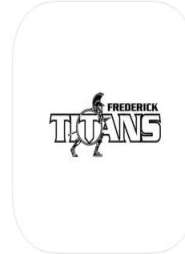

## School mobile app is available for download

Our school's mobile app is now ready to download via the Google Play store or the Apple store. Below are instructions on getting in.

When you allow all alerts, it will send you a push notification anytime a school related message is posted. A key advantage of using the mobile app is a consolidated location for calendars, parent/student links, and alerts.

1. Go to your apple or google store.
2. Search Frederick Area School District. Below is a picture of what you will see.

3. Install the app.
4. After opening the app, click Register.
5. Make a username and password.
6. When you click next, it will ask which school you want to register under. Frederick will be the only option to click on.
7. After you click on the school, click continue and you should be able to see the 9 button links available.

The following reports were presented:

- Jeff Kusters: Superintendent/9-12 Principal/Athletic Director
- Shauna Severson: Business Manager – The renewal/increase of the general fund opt out was mentioned; the district did not take the full amount these last two years of the three-year opt out. If we decide to increase, we would not be required to take the full amount the first year like we were required to do with this last opt out. There are uncertainties regarding the upcoming teacher accountability review, which is an area of concern for our general fund. Another concern is the change to the capital outlay formula. We were able to transfer \$366,125 from capital outlay to general fund, but fiscal year 2023 was the final year to do so. Discussion items regarding the need for this opt out will be published in the GDI, Frederick Forward and on the school's website.

- Achen/Hart: Building/Co-op

**2024-057** Motion by Sumption, second by Ellwein to approve Resolution 2024-001 – Resolution for \$450,000 Five-Year Opt Out and Vote to be Held. Upon roll call, all present voted Aye. Motion carried.

THE GOVERNING BOARD Frederick Area School District 6-2 do state that the above said board is unable to operate under the tax limitation measure currently in statute. We therefore OPT OUT of such tax limitation in the amount of \$ 450,000 starting with calendar year 2024 taxes payable in the calendar year 2025. This opt out will be for five years, which will be through taxes payable in the calendar year 2029. This action has been taken by the board and approved by at least a two-thirds vote of the board.

Also, be it resolved that the GOVERNING BOARD OF Frederick Area School District 6-2 will conduct an election to approve or disapprove the tax levy opt out pursuant to SDCL 10-13-36. The election will be held on

April 9, 2024.

**2024-058** Motion by Sumption, second by Achen to approve the \$500,000 transfer from Capital Outlay checking to money market savings. All voted Aye. Motion carried.

The Board would like to recognize the following accomplishments: Sofia Losure for being named a SD SportScene Schwan Financial Premier Performer.

**2024-059** Motion by Sumption, second by Hart to go into executive session at 6:49 p.m. for SDCL 1-25-2 (1) Personnel. All voted Aye. Motion carried.

Schlosser declared the board out of executive session at 7:51 p.m.

**2024-060** Motion by Hart, second by Sumption on intent to renew 2024-2025 Administrative Contracts. All voted Aye. Motion carried.

2024-061 Motion by Ellwein, second by Sumption to adjourn at 7:51 p.m. All voted Aye. Motion carried.

Rich Schlosser, President  
Shauna Severson, Business Manager

## City of Frederick January 10, 2024 Minutes

Frederick's town board meeting was held Wednesday, January 10, 2024 in the Frederick Community Center beginning at 7:00 PM. Attending the meeting were Chairman Scott Campbell, Board members Jeff Kusters and Troy Millard, Finance Officer Jennifer Morlock and Assistant Finance Officer Mariah Heine. Chairman Campbell opened the meeting and led in the Pledge of Allegiance.

The minutes of the December meetings were read and approved with a motion by Kusters/Millard; motion carried. The financial statements were reviewed and accepted with a motion by Millard/Kusters; motion carried. The January accounts payable were approved with a motion by Millard/Campbell; motion carried.

JUNIOR HIGH BOYS BASKETBALL

# Junior high boys keep a positive attitude

By HEIDI MARTTILA-LOSURE

The Leola-Frederick junior high boys basketball team—made up of six 8th-graders, two 7th-graders, and five 6th-graders—has been working on fundamentals this season.

“Our season has been challenging so far,” Coach Don Nickelson said. “We have not won a game yet—emphasis on ‘yet.’ We anticipated struggling in the wins and losses column before the season began and that it was going to be a challenge as coaches to keep them motivated de-

spite the scores. They have been doing a good job of working to improve individually as well as becoming a good team player.”

One strength of these young players is their positive attitude. They have been working on free throws and breakaway layups recently. “The majority of our games would have looked much different on the scoreboard had we made a higher percentage of those two shots.”

The season’s highlight so far was their third matchups against Ellendale.

“Our first meetings were one-sided, with significant losses in both games,” Nickelson said. “However, in our final matchup, pieces started falling into place, and our 8th-grade team lost by only two points in a down-to-the-wire game.”

Nickelson added that he’d like to thank parents for their support and patience with the inevitable schedule changes throughout the season.

Bentley Sumption puts up a shot against Roncalli Jan. 30.

Jayden Ellwein gets the tip against Aberdeen Roncalli Jan. 30.

Howard Sumption signals for a pass on an inbound play Jan. 30.

Kids of all ages shoot for prizes on the Elm Valley Community Club's plinko board.

# Plinko board is for fun and fundraising

In the fall/winter of 2022/23, the Elm Valley Community Club wanted to make halftime at Titan home basketball games fun for kids or adults. What they came up with was a plinko board made to go under a basketball hoop. Kids or adults pay \$1 to shoot a free throw. A made free throw bounces down through the plinko board and lands on prize cards at the bottom. Prizes are tickets for pop, candy, or popcorn. The money

generated is donated to different groups within the school. Last year \$150 was raised for the athletic department, and this year \$175 was raised for the school’s Future Business Leaders of America chapter. —*Rich Achen, EVCC member*

The line is often long.

**BASKETBALL HIGHLIGHTS**

The celebratory human tunnel to the locker room has become a frequent sight at the end of Titans' games.

Milo Sumption gets an offensive putback against Ellendale.

Taylor Himanga goes for a layup against Jones County Feb. 3.

Arabella Clark shoots over Timber Lake defenders.

The Titan bench celebrates.

Brayden Sumption drains a 3 from the corner against Webster.

Kalyce Achen gets after a loose ball.

Gavin Nickelson and Noah Kippley celebrate a score.

Westyn Thorpe gets a fast break ahead of Ellendale defenders.

# Titans finish season with winning record

Postseason play will start Tuesday, Feb. 20

BY JEFF KOSTERS  
Girls Basketball Head Coach

The Leola/Frederick Titan Girls Basketball team wrapped up a busy month of January, playing eleven games during that span and finishing the month with a 9-2 record. Overall, the Titans are currently 13-6 and have just one game remaining in the regular season. They will finish the regular season in Leola on Feb 15th with senior night when they host North Central.

The post-season will look a little bit different this year, as the region will no longer be utilizing the Webster Armory for the final night of tournament play. The higher seeds will host throughout, and post-season play will begin on Monday, February 19, with the 8 vs 9 matchup. Our girls will play their first post-season game on Tuesday, February 20, and that game will be in Leola at 7:00 pm. We are currently the #2 seed in our region, with Britton/Hecla and Northwestern close behind in the #3 and #4 spots. Should we stay in our current position, we would play the #7 seed on the 20th, which is currently Wilmot. If we win, we would host the #3 vs #6 winner in Frederick on Thursday, February 22nd, at 7:00 pm. The winners of those two Thursday games would advance on to play in the So-Dak16, which will take place on Thursday, February 29th.

Laura Sumption puts up a three against Timber Lake on Jan. 27 in Bowdle.

Sofi Losure scores against Timber Lake.

Olivia Morlock puts up a shot against Ipswich.

# At 17-1, Titans have high postseason hopes

BY HEIDI MARTTILA-LOSURE

Hard work every game and a deep bench have combined to give the Titans boys basketball team a 17-1 record, putting them solidly at the top of the Region 1 rankings and near the top of the list of Class B teams in the state — #4 as of this writing.

The Titans have won against strong Class A teams, including Aberdeen Roncalli and Platte-Geddes, as well as teams that stymied them last year, such as Ellendale and Warner. Their lone loss came in a close showdown with Faulkton on Jan. 25. With two games remaining in the regular season, the Titans hope to enter the postseason in a strong position to make it to the SoDak 16 and from there fight for their spot in the state tournament.

The season is exceeding Coach Brock Pashen's expectations.

"You can't expect to go 17-1 with the quality of a schedule that we have," he said. "The boys have competed every practice, caught on to what we are trying to do, and are applying it in games. Our one loss we didn't play well and didn't do the things we had been doing in our wins, and we paid for it."

The Titans' success has been a team effort.

"Brayden Sumption and Noah Kippley are leading us in scoring, but it is the 3-8 points we get from Gavin, Milo, Ethan, Westyn, Titus, Taylor, and Winston that can demoralize

and put teams away. We have a lot of unselfish kids who play well together, support each other, and play well in their role."

Team members have adapted to the team's new style and tempo, which can be described as fast and relentless. They are able to keep up that speed because of the number of players who can keep up defense at that level, allowing substitutions when necessary without allowing any slack on the court. "They have bought in to the constant pressure and harassment that we are able to put on teams," Pashen said.

They are also showing they can adjust and dig even deeper when necessary. Finding a way to win against Warner after not playing well for three quarters showed some maturity in the team, he said. "We forced some mistakes and started the fourth quarter on a 13-0 run and closed the game with defense, rebounding and some good possessions offensively."

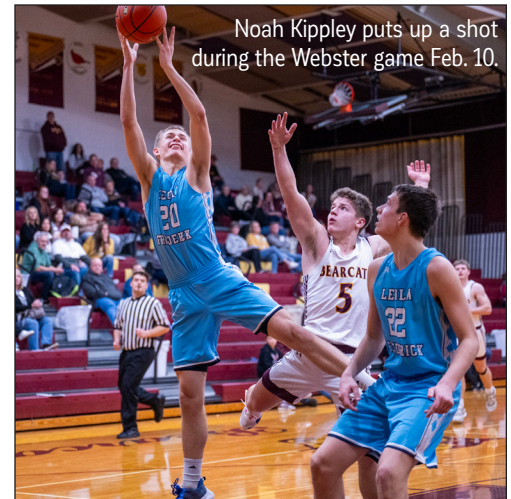

The games remaining in the season will require their full effort. Herreid-Selby is traditionally solid, though they have a losing record this year, and Ipswich has been winning against tough competition. "There are no gimmies in February which should have us tested for the playoffs," Pashen said.

"Right now we are sitting #1 in the Region and still feeling like we can do things a lot better. We need to do things right each game, find a way to win, and move on."
